

Dear Researchers

From now on there will be a magazine.

It will contain whatever you contribute.

It will be produced on JvE copy machines.

Bring your *texts / images / 2nd thoughts / posh catalogue / creative & intellectual waste*

on **A4**

to the library¹

The redaction² will compile and distribute the first issue.

The magazine will be available at all Jan van Eyck copy machines for reproduction.

The material will stay available for you to compile any other magazine.

The magazine can be compiled weekly / monthly / on demand

Yours sincerely,
Inga Z.
